Attended the International Housing Forum in Singapore and IFHP's Council meeting as an observer.

**October 2017**

Anthony Kent and Mia  
Davison

Ran session with World Vision International, UN Global Compact – Cities Programme, and the Australia-Indonesia Centre to identify potential project partner opportunities for Indonesia.

## **Promotion of Human Settlement and Sustainable Urban Development issues in Australia as follows:**

1. EAROPH Australia joined a number of agencies in forming a collaborative 'community of practice' network for implementing the New Urban Agenda in Australasia and the Pacific Region. Official status is currently being sought as part of the UN's General Assembly of Partners implementation group.
2. EAROPH Australia has agreed to partner with the City Partnerships program being established by the UN Global Compact – Cities Programme in piloting the new global program with local governments in Australia.
3. We have started work on a new Business Plan that aligns our activities with implementing the New Urban Agenda.

# Publications & Website

## Publications

Jane Stanley has continued work in preparing the handbook on Building Local Economies as an EAROPH publication to be launched at WUF 9.
